

YOUR PLUS⁺ WITH THE SUN.

COLEXON Energy AG is a listed company in the growing renewable energy market with its headquarters in Hamburg. Turn-key solutions for solar power plants are planned and constructed not only for our company but also for third-party companies at our branch offices in Wesel, Leipzig and Mainz as well as at our overseas subsidiaries in Spain, France, the Czech Republic, the USA and Australia.

In order to meet a projected growth, we are looking for a committed colleague (M/F) for our headquarters in Hamburg as:

SENIOR PROJECT CONTROLLER

JOB DESCRIPTION

Successfully developing and selling solar projects is our core business. You are part of project teams working on German and international projects.

Change management and support of Project Managers

- Coach the other project team members (notably engineers and project managers) on cost price, cash flow and risk reporting
- Work with other functions (IT, Procurement, Engineering, Legal, Project Finance) on process improvements

Project controlling

- Ensure for the projects of which the Senior Project Controller is a team member that the cost price, cash flow are correctly predicted and the status reporting is correctly executed
- Ensure accurate prediction of project results and milestones

Overall project reporting

- Ensure that project reporting process and filing process is executed "according to the rules" and take action if this is not the case
- Identify resource issues (capacity, financial, material) and create options to resolve these, always keeping in mind how to optimize our EBIT
- Ensure high quality weekly project reporting (project list)

Country controlling

- To a limited degree the Senior Project Controller will also be responsible for corporate controlling activities at our subsidiaries in France, Spain, Italy, Czech Republic, USA and Australia.

REQUIREMENTS

- Business economics with specialisation controlling
- At least 7 years of experience in controlling of which at least 4 in project controlling
- Fluency in English (Spanish, French or Italian is an additional asset)
- Excellent team worker and communicator
- Analytically strong
- Combining diplomacy with persistence in achieving the set goals
- Ability to work in a very dynamic (international) environment
- Experience in implementing ERP
- Ability to work with MS-Office (in particular Excel)

ARE YOU INTERESTED IN JOINING US IN THIS GROWING INDUSTRY?

Then simply send your CV and a short covering letter telling us why you are the right candidate and also informing us of your salary expectations and earliest possible starting date. We look forward to receiving your application, preferably as electronic mail at: karriere@colexon.de
